Case No. 07-CV-1658 PJH (EDL)

**[PROPOSED] ORDER DENYING
AMENDED MOTION FOR LEAVE TO
INTERVENE**

1 Having considered the papers filed in connection with pro se plaintiff Terry M. Myers’
2 Amended Motion for Leave to Intervene (“Amended Motion”):

3 IT IS HEREBY ORDERED THAT: The Amended Motion is DENIED.

4 Rule 24(c) of the Federal Rules of Civil Procedure provides that “[a] motion to intervene
5 must . . . state the grounds for intervention and be accompanied by a pleading that sets out the
6 claim or defense for which invention is sought.” Fed. R. Civ. P. 24(c). Despite including new
7 allegations, the Amended Motion remains incomprehensible—largely repeating the allegations of
8 the original motion to intervene—and again wholly fails to state any basis for intervention as
9 required by the Federal Rules.

10 **IT IS SO ORDERED.**
