20 NORTHERN DISTRICT OF CALIFORNIA  
21 OAKLAND DIVISION

22 ORACLE USA, INC., et al.,  
23 Plaintiffs,  
24 v.  
25 SAP AG, et al.,  
26 Defendants.

Case No. 07-CV-1658 PJH (EDL)

**DEFENDANTS' LIST OF  
DEPOSITION DESIGNATIONS FOR  
USE AT TRIAL**

1 Defendants submit the attached list of deposition designations for use at trial. *See* Exhibit  
2 “A,” which is attached hereto and incorporated by reference as if fully set forth herein. The  
3 attached list of deposition designations for use at trial are based on the claims and defenses  
4 currently asserted in this case and may be updated in light of the parties’ ongoing efforts to  
5 streamline trial and depending on the Court’s rulings on pending motions for summary judgment,  
6 motions in limine and *Daubert* motions. More specifically:

7 1. For the sake of the Court’s and parties’ convenience only, and without waiving  
8 any privilege objections or related instructions, Defendants’ attached deposition designations may  
9 contain questions to which a privilege instruction was given and the deponent either limited his or  
10 her answer or did not answer. To the extent that the deponent refused to answer the question  
11 based on an instruction not to answer, Defendants are not affirmatively designating such  
12 questions and responses and will edit those references out of the designations before any of the  
13 testimony contained in the designations are introduced at trial. Defendants have left these types  
14 of privilege objections and related instructions in the attached designations simply to facilitate the  
15 parties’ pretrial review of the testimony and related objections and instructions, and if necessary,  
16 any subsequent rulings on the same.

17 2. The attached designations may contain testimony to which counsel objected.  
18 Defendants do not intend to play objections to the jury when the clips are played at trial. Only the  
19 question and answer shall be played at trial. Moreover, to the extent that the attached deposition  
20 designations do not designate those portions of the transcripts that contain Defendants’ objections  
21 to the portions of testimony designated by Plaintiffs, that is not intended to be, and shall not be  
22 considered as, a waiver of Defendants’ objections to Plaintiffs’ designated testimony. The parties  
23 have yet to establish a definitive schedule by which they will exchange a list of those questions  
24 for which the parties intend to stand on their objections and seek a ruling prior to attempting to  
25 introduce the disputed testimony at trial. Defendants have proposed exchanging the list of  
26 deposition objections on which the parties intend to stand at the same time the parties exchange  
27 objections to each other’s trial exhibits, a date yet to be determined, but which the parties agreed  
28 would be after the pretrial conference on September 30, 2010.

1           3.       Anywhere that a deposition exhibit is referred to or used in any of the attached  
2 designated deposition testimony, that exhibit is deemed to be a part of the deposition designation.

3           4.       Like Plaintiffs, Defendants have designated some testimony that is the subject of,  
4 or related to, expected motions in limine. Any and all such designations are not concessions that  
5 the objections, instructions and testimony should be admissible. Defendants reserve the right to  
6 add or remove designations related to motions in limine depending on the outcome of those  
7 motions.

8           5.       To the extent that any witness named in the attached designations provided their  
9 deposition testimony in a representative capacity (*i.e.*, under Fed. R. Civ. P. 30(b)(6)) on behalf of  
10 a party or third party entity, that fact is noted on the face of the deposition transcript.

11           6.       In order to preserve Defendants' ability to continue to streamline Defendants'  
12 presentation of the evidence and to respond to Plaintiffs' evidence and the Court's rulings,  
13 Defendants reserve the right to further narrow or tailor the attached deposition designations  
14 before they are played to the jury. Such reservation includes, but is not limited to, the  
15 preservation of the right not to use all or any portion of any particular deposition designation.  
16 And as Plaintiffs have done, Defendants' reserve the right to use any of Plaintiffs' or Defendants'  
17 deposition designations at trial.

18 Dated: August 5, 2010

Respectfully submitted,

Jones Day
