21 OAKLAND DIVISION

22 ORACLE USA, INC., et al.,
23 Plaintiffs,
24 v.
25 SAP AG, et al.,
26 Defendants.

Case No. 07-CV-1658 PJH (EDL)

**DEFENDANTS' REVISED TRIAL
WITNESS LIST**

1 Pursuant to the Court's Pretrial Instructions, Defendants submitted on August 5, 2010 a
2 trial witness list indicating all of those witnesses whom Defendants expect to call at trial, either in
3 person or by deposition. *See* ECF No. 741. In light of the Court's recent order on the Parties'
4 motions for partial summary judgment (ECF No. 762), the Parties' Trial Stipulation and Order
5 (ECF No. 866), and the Parties' ongoing efforts to narrow this case for trial, Defendants submit as
6 Exhibit "A," attached hereto and incorporated by reference as if fully set forth herein, a revised
7 trial witness list, which removes 42 witnesses from Defendants' August 5, 2010 trial witness list.

8 As with Defendants' August 5, 2010 trial witness list, the attached revised trial witness list
9 should be considered to include testimony within the scope of Defendants' deposition
10 designations. Certain witnesses named in the attached list provided all or some of their
11 deposition testimony in a representative capacity (*i.e.*, under Fed. R. Civ. P. 30(b)(6)) on behalf of
12 a party or third party entity and that fact is noted on the face of their deposition transcript. In
13 those instances, the designated witness shall be deemed to be the entity on whose behalf the
14 individual provided the deposition testimony.

15 The attached revised trial witness list is based on the claims and defenses remaining in this
16 case and may be updated in light of the parties' continuing efforts to streamline trial and
17 depending on the Court's rulings on pending motions in limine and *Daubert* motions, as well as
18 any guidance provided by the Court at the September 30, 2010 pretrial conference. Thus,
19 Defendants reserve the right to add, remove, or re-designate as appearing live or by deposition
20 witnesses identified on Defendants' revised trial witness list. Moreover, consistent with this
21 Court's orders, the attached list does not necessarily include all those witnesses whom Defendants
22 may call at trial solely for impeachment or rebuttal.
