SAP Statement on Third Amended Complaint in Oracle v. SAP

NEWTOWN SQUARE, Pa. — October 8, 2008 — Today Oracle filed its third amended complaint in Oracle v. SAP. SAP is scheduled to file its response to the new amended complaint by October 15, 2008.

SAP will not comment on Oracle's filing until after its own filing is delivered to the Court. SAP's court filings are the most appropriate place for SAP to respond to Oracle's allegations. Ultimately it is the Court that will determine the facts and the remedies in this case, and SAP prefers to conduct the discussion through the legal system.

Any statements contained in this document that are not historical facts are forward-looking statements as defined in the U.S. Private Securities Litigation Reform Act of 1995. Words such as "anticipate," "believe," "estimate," "expect," "forecast," "intend," "may," "plan," "project," "predict," "should" and "will" and similar expressions as they relate to SAP are intended to identify such forward-looking statements. SAP undertakes no obligation to publicly update or revise any forward-looking statements. All forward-looking statements are subject to various risks and uncertainties that could cause actual results to differ materially from expectations. The factors that could affect SAP's future financial results are discussed more fully in SAP's filings with the U.S. Securities and Exchange Commission ("SEC"), including SAP's most recent Annual Report on Form 20-F filed with the SEC. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of their dates.
