**SAP Statement on September 25, 2007 Case Management Conference
In Oracle v. SAP**

***SAN FRANCISCO, California — September 25, 2007* — Today in the Northern District Court in San Francisco, SAP and Oracle met with Judge Martin Jenkins to conduct the first case management conference in Oracle v. SAP. At the conference the Judge held discussions with the parties and made certain process decisions regarding schedule and scope of discovery. The Court will issue an order shortly. The parties also discussed alternative dispute resolution. In brief:**

- **The court set certain limitations on discovery, which will be detailed in the order. The Court asked the parties to agree on a special master to assist on discovery issues.**
- **The Court set the following schedule:**
 - **A further case management on February 12, 2008**
 - **Trial date set for February 9, 2009, with four weeks set aside for trial**
 - **(Note: While motions could be filed earlier, the Judge indicated the last date he will hear motions will be November 13, 2008)**
- **The Court discussed using mediation as an alternative dispute resolution process during the case.**
