SAP Statement on Court's Ruling on Post-trial Motions in Oracle v. SAP

WALLDORF, Germany and NEWTOWN SQUARE, Pa. — Sept. 1, 2011 — Following the Court's order on post-trial motions in Oracle v. SAP, SAP issued the following statement:

"We are very gratified with the Court's decision. We agree with the Court's statement that "the verdict grossly exceeded the actual harm to Oracle." We believed the jury's verdict was wrong and are pleased with the significant reduction in damages. We hope the Court's action will help drive this matter to a final resolution."
